Sir,

Sub: Purchase of one additional Refuse Tyred cart.

In enclosing herewith an extract from the proceedings of the meeting of the Municipal Council held on 13th Nov. 1948 on the above subject together with the specifications received therefor, I have the honour to state that the Municipal Council has proposed to purchase one additional tyred cart for use of conservancy At present there is only one tyred cart and one wooden wheeled cart which is a very old one requiring repairs more often

As per the quotation of Srinivasachariar & Co. one Axle complete with bearings etc, cost Rs 331-12-0 without sales tax. The Municipal Council proposes to purchase the axle with wheels and have the body constructed at the local workshops. The quotation of Addison & Co is for Rs 1050/- plus the Madras Sales Tax But the body may be got fixed at a cost of Rs.400/- or 450/- in any of the local work shops

Under the above circumstances, I request you to kindly obtain the sanction of Government for the purchase of a new tyred cart at an estimated cost of Rs 800/- the excess of Rs.400/- over the allotment sanctioned in the budget being met out of the closing balance

Yours faithfully,
